JoLin has almost twenty years of experience in the IP prosecution and management field. She is highly skilled in drafting both patent and trademark prosecution documents for filing with the United States Patent and Trademark Office (USPTO), in addition to PCT filings within the United States. She also specializes in foreign patent prosecution.

JoLin has extensive management experience, including training of new legal assistants and paralegals on IP rules and procedures, as well as docketing, billing, firm operations, policies, and administration.

JoLin's past work experience includes managing paralegal services for clients located throughout Silicon Valley, Japan, and Utah. For example, JoLin has managed paralegal services for clients such as Google, Medicity, Progress Software Corporation, ShoreTel, Toyota ITC, and YouTube, among others.

Outside of work, JoLin spends her time with her two boys, exploring new places, giving back through volunteer work, and participating in hockey at all levels.
