Bethany Adamek is the Executive Director for Maschoff Brennan. Bethany oversees the operations of the firm's five offices, including human resources, marketing, information technology, and more. Prior to being named Executive Director, she served as the firm's Human Resources director. She earned a Bachelor of Science degree from Lake Superior State University, a Master of Business Administration from Weber State University, and holds Professional in Human Resources (PHR) and Certified Professional (SHRM-CP) certifications.

As a native Michigander, Bethany takes full advantage of living in the mountains and loves to run, hike and ski with her young family.
